October 2015

Hello,

Once again, it is time for the Heating Assistance Program to open. Enclosed are updated Heating Assistance brochures with the current guidelines for the 2015/2016 Heating season.

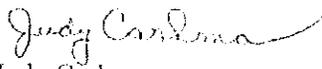

Families who were on the Heating Assistance Program last year will receive an application in the mail. Applicants need to make any necessary changes on the application, and include current documentation and sign and date the application. The application has to be mailed to us as soon as possible for processing.

New applicants, who were not on the Heating Assistance Program the previous year, can call the office to make an appointment at 789-3016, ext. 2337.

Once again, I am sure this will be an exceptionally busy Heating season. Many of our families have to make difficult choices every day whether to pay for food, fuel, rent, or medicine.

If you have any questions, please call me at 789-3016, ext. 2300.

Sincerely,

Judy Cashman
Housing and Energy Coordinator
