

# Langworthy Field Improvements (Phase I)

## Addendum #1: June 20<sup>th</sup>, 2017

1. Will the baseball backstop be removed?

The backstop will be removed and reinstalled nearby.

2. Where the Department of Public Works has removed trees, will the stumps be removed?

The Department of Public Works will return to the site and remove the stumps when school breaks for summer.

3. How will concrete be poured for the stairs and how will the existing granite steps be removed?

A suggestion was made to the contractors that a concrete pumper and crane could be set up on the lower field to accomplish this work. Contractors were directed to follow the instructions provided in the RFP regarding passage on school property.
