# LIVABLE Homes Grant

Retrofitting a home to increase accessibility can be expensive. That's why the RI Livable Home Modification Grant (RILHMG) is available.

The RILHMG assists homeowners and renters alike in retrofitting residences to nationally recognized accessibility standards.

Applicants must:

- Have a disability
- Meet income guidelines
- Retrofit their home to include at least one accessibility feature or sensory modification
- Submit a completed application to the RIGCD prior to beginning any retrofit activities

Applications are due by June 30th, 2018.

50% reimbursement of total retrofit costs, up to \$5000

Available for homeowners and renters
