Solicitor McAllister wished Councilor Thompson to address the issue of whether or not #21 was actually a condition of approval to the motion and Councilor Thompson stated that it was not; she was hoping the applicant would consider these items, but ultimately, it would be left up to them.

Councilor Hirst, Councilor Davis, Councilor Capalbo and Council President Landolfi all explained the reasoning for their decision, which is reflected in the stenographer's transcript.

Councilor Thompson noted that when she read her motion, #16 stated that the fenced in area would be approximately 42 acres of the total 98 acres, which would have been for Plat 18, Lot 14 known as the Tefft property. She had not included the area for Plat 18, Lots 8 and 13, the Gordon property, by mistake. The total combined acreage is not 98 acres but 168 acres.

COUNCILOR THOMPSON WISHED TO AMEND HER MOTION, WHICH WAS SECONDED BY COUNCILOR CAPALBO, TO INCLUDE PLAT 18,

LOT 14, WHICH HAS A TOTAL AREA OF 98 ACRES, AND THE FORESTED AREA AFTER CLEARING WILL BE 42.5 ACRES; PLAT 18, LOTS 8 AND 13, HAS A TOTAL AREA OF 70.6 ACRES AND THE AREA REMAINING AFTER CLEARING WILL BE 46.1 ACRES. THE COMBINED TOTAL AREA IS 168.8 ACRES AND THE TOTAL COMBINED AREA OF TREES REMAINING AFTER CLEARING WILL BE 87.6 ACRES.

Vote on the motion to amend:

IN FAVOR: Landolfi, Thompson, Capalbo

Councilor Thompson, Councilor Hirst and Councilor Davis all commented further, which is reflected in the stenographer's transcript. There was no other discussion and Council President Landolfi called for a vote of Councilor Thompson's Motion which had been seconded by Councilor Capalbo.
