Crown Farm Parking Area – Tomaquag Road Specifications
HLT Contact: Harvey Buford 401-932-1383

Attachment: Proposed Parking Plan for Crown Farm

HLT is establishing a new parking area at Crown Farm on Tomaquag Road as depicted in the attached plan. This bid specification is for installation of driveway and parking.

The following work is to be included in the bid:

- *Grubbing, excavation and disposal of unsuitable material off-site
- *Contractor to coordinate and schedule receipt of materials (HLT will purchase bank run gravel and crushed stone directly)
- *Spreading of bank run gravel and crushed stone and compaction in accordance with engineering plan
- *Bring driveway and parking areas flush according with engineering plan
- *Items to be discussed during site visit
 - length of paved apron
 - tree removal as necessary
