

**Town of Hopkinton**  
One Town House Road  
Hopkinton, Rhode Island 02833

January 5, 2021

Motor Vehicle tax bills were delayed from the original due dates of September 8, 2020, December 8, 2020, March 8, 2021 and June 8, 2021 due to the uncertainty surrounding the State budget process. There may be changes to the Motor Vehicle tax phase-out program that may ultimately affect the tax amount billed. Although the State budget has not passed at this time, the Town has opted to send the tax bills in accordance to the phase-out program that is currently in place. Please see below for the new due dates and grace period for this MV bill only. **It is possible that the Town may be required to issue supplemental bills when the State's final budget is approved.**

The following are the due dates and the dates through which payments will be considered paid on time (grace period) for the enclosed bill.
