

PARKS & RECREATION

IMPORTANT NOTICE

May 27, 2020

The Hopkinton Recreation Department regrettably informs you that summer day camp at Crandall Field and all specialty camps and programs are canceled this summer due to the continued threat of COVID-19. In making this decision, our highest priority has been the health, safety and well-being of the children and our employees. Please know this decision was made after thorough deliberation with town and state officials and our program leadership team. Based upon updated protocols, we will make determinations as to what programs we will be able to offer as information becomes available to us. Please check back often for updates. We will truly miss you!

Below are some resources to help keep you outdoors and moving this summer.

- Explore Rhode Island State Parks: www.riparks.com
- Hike Hopkinton and Rhode Island: <https://exploreri.org>
- Visit Hopkinton's Open Space: www.hltri.org/protected.html
