Fire Marshal's Office

Hopkinton Town Planning Board:

After a preliminary review of the site plans for the solar array plans proposed Stone Ridge Solar, located on Palmer Circle. This office finds that there are no current issues with the site plans. A more in-depth look will follow during the permitting process. At which time, we will look at fire department access, security barriers, clearances, road surfaces, and the proposed storage building located on the property.

Thank you for your time in this matter.

A handwritten signature in black ink, appearing to read "Patrick Hawkins". The signature is fluid and cursive.

Captain Patrick Hawkins
HVWFD Fire Marshal
R.I. Assistant Deputy State Fire Marshal
