

Minutes of the Hopkinton Police Commission Meeting of 3/11/2021

The meeting was called to order at 3:38 pm, quorum present.

Members & Dept. Officials present: Chief Palmer, Captain Carrier, Bob Marvel, Geoff Cook, Stiles Gilmore and Phil Scalise.

Old Business: The new speed trailer is in heavy rotation, and demand for it remains high. This was a great asset to pursue and is being fully utilized in a way that exceeds our expectations.

The replacement effort for the Town Manager's spot is underway, but no specific details are available at this time.

911 numbering effort must be restarted. Chief Palmer suggests we reach out to Sherri Dejeardins to pick the process back up so we can begin making progress again.

New Business:

Minutes of the last meeting from the 11/12/20 meeting were reviewed.

Geoff made a motion to accept the minutes as presented, Stiles seconded, and the motion passed.

The new patrol person is now working independently and all reports have been exemplary.

The dept. is bidding on one new police cruiser in accordance with the plan/budget report.

The monthly HPD log was reviewed –

There was a theft of a catalytic converter on North Rd. There is a large uptick of these thefts nationally.

There were no illegal drug overdoses this month, and there was one prescription drug overdose reported.

Stiles made a motion to adjourn at 4:41 pm, seconded by Geof, and the motion carried.

Respectfully submitted for review,
