

Minutes of the Hopkinton Police Commission Meeting of 6/11/2020

The meeting was called to order at 3:38pm. Present: Chief Palmer, Cptn. Carrier, Stiles Gilmore, and Phil Scalise. And Geoff Cook .

Old Business:

911 numbering effort: The ordinance is still at the Town Manager's office awaiting Town Council review. The town and offices have been spending most of their time on this year's budget preparations and this hasn't made the agenda. We are reminded that there will be a vote on the proposed budget on 6/30.

New Business:

Reviewed minutes of March 12^h 2020. After one correction to add John Forbest to an entry where he was missed, there was a motion to approve by Stiles, seconded by Geoff, and the motion carried.

The department's new recruit is at the ten week mark at the academy, and doing well.

We had a patrolman depart the department but through the recruitment process we had two candidates, and thanks to that, we will start this new recruit in the academy on 7/27.

Police Log: Police log was not readily available to review.

Motion to adjourn at 445 pm by Stiles, seconded by Phil, and the motion carried.

Respectfully Submitted for review

Phil Scalise

Hopkinton Police Commission
