Minutes of the Hopkinton Police Commission Meeting of 12/19/2019

The meeting was called to order at 3:38pm. Present: Geoff Cook, Chief Palmer, Cptn. Carrier, Stiles Gilmore, and Phil Scalise.

Old Business:

911 numbering effort: The ordinance is back to the Chief to re-review. Chief is gathering additional data via site visits to add accuracy to the document, and to ensure it's meeting all intentions. In concert with this effort, the animal control ordinance is also being reviewed and updated.

Recruitment process: Unfortunately we learned that our primary candidate found a good opportunity for employment elsewhere, so our secondary selection has become the final selectee. This change of events proves that it was a good process to follow, and saves the dept. from a long arduous wait to re-start the process with a new candidate after another lengthy selection process. The second candidate also easily met all parameters as the first candidate selection did, and is ready and eager to fill the opportunity.

New Business:

Reviewed minutes of Nov. 2019. There was a motion to approve by Geoff, seconded by Stiles and the motion carried.

Police Log: It was a fairly light activity month, and the owner of the Boneyard has now officially put the business up for sale.

Motion to adjourn at 448 pm by Geoff, seconded by Phil, and the motion carried.

Respectfully Submitted for review

Phil Scalise
