Minutes of the Hopkinton Police Commission Meeting of 7/10/2019

The meeting was called to order at 3:38pm. Present: Geoff Cook, Chief Palmer, Stiles Gilmore, Cptn. Carrier, and Phil Scalise.

Old Business:

911 numbering effort: There were comments that were fielded from the Town Manager, which have now been incorporated and forwarded on to the Town Council for their review.

There has been no change relative to the Town's budget, or lack thereof. Direction from the town administrators is that all budget levels from 2018 will be used in the current year, in light of the more recent budget not passing at the financial town meeting.

New Business:

Minutes were not reviewed at this meeting. The bid process for the two HMV's and the Altima at the station yielded \$22,100.

This facilitated the dept. purchase of a 2019 Chevrolet Equinox which will be utilized by Cpt. Carrier. This will free up the much needed Taurus as a lower miles vehicle to the motor pool.

The RI State Police held training in Richmond for area police depts. on best practices to get opioid users help. The class focused on multiple types of addiction and solutions including alcohol abusers.

In other business the dept. interviewed candidates for a permanent part time dispatcher. Selections will be made shortly.

Police Log: was reviewed.

Motion to adjourn at 4:50 pm by Geoff, seconded by Stiles, and the motion carried.

Respectfully Submitted for review
