RE: Proposed two-lot minor subdivision
AP 19 Parcel 8
0 Grassy Pond Road and Spring Street, Hopkinton RI

From: Hope Valley Wyoming Fire District Fire Marshal's Office
Captain Patrick Hawkins

I have reviewed the submittal to my office for the subdivision. Our office has no objections to these plans. We do however have one request, The driveway for the house that will be set off the road and access will be Grassy Pond Road, the width of the driveway meets NFPA Chapter 18 Fire Department Access Roads. More specifically 18.2.3.4.1.1 Fire department access road shall have an unobstructed width of not less than 20ft and 18.2.3.4.1.2 Fire department access roads shall have an unobstructed vertical clearance of not less than 13ft 6in. These 2 codes will allow us to gain access to the residents in case of an emergency.

If you have any questions please let me know

Respectfully,
