Hopkinton Planning Board
One Town House Rd.
Hopkinton RI 02833
ATT: Talia Jalette, Planner

Dear Members of the Planning Board and Ms. Jalette,

We ask that the application of Atlantic Solar, currently on the Board's agenda for October 5th, 2022, be continued until January 2023. We believe that understanding the recommendations of Crossman Engineering and of this Planning Board in the Skunk Hill Road Solar application which is heading toward a conclusion will assist all parties with guidance when preparing for the Atlantic Solar master plan hearing.

Sincerely,

/s/Robert E. Craven
